Office Policy

Financial Agreement

Payment for treatment is required on the day of service. Payment for services for the treatment of minor is the responsibility of the adult accompanying the minor. We accept CASH, CHECK, VISA, and M/C.

Returned checks are subject to a \$25.00 charge.

Chiropractic Insurance

Insurance is a contract benefit between you, your employer, and the insurance company. For those who enjoy chiropractic insurance benefits, we ask you to pay your portion at the time of receiving service. **Insurance is not an absolute guarantee of payment.**

Chiropractic insurance plans vary and do not always cover all services. However you are ultimately responsible for the cost of treatment performed.

Broken Massage Appointments

We try to remind by telephone the day prior to the appointment; however, please do not depend on the courtesy. Your massage appointment time has been reserved especially for you. If you must change your appointment, we require at least a 24 hour notice to avoid a \$20.00 charge.

There will be an additional 12% interest each month if the account is in collections until the account is paid off.

I have read, understand, and agree to abide by the above stated policy.
